

# Facial Treatments

*Cave B Mini Facial* (30 minutes)..... \$70

A balancing facial for those with only minor skin concerns or for the teenager just beginning their skin care regimen. This express facial includes cleansing, toning, mask and moisturizing using the Decléor combination skin care line Hydrafloral along with a light facial acupressure massage.

*SageCliffe Facial* (60 minutes).....\$100

A European style facial, including a double cleansing, exfoliation, steaming, balancing facial mask, toning and moisturizing. Your Skin Care Therapist will choose from our Decléor line a skin care formula to target your skin care needs and concerns. Includes light extractions. Also includes facial massage and a light scalp massage.

*Decléor Aromatherapy Facial* (90 minutes).....\$140

An intensively balancing hydrating facial combined with additional massage and a hydrating back treatment. Enjoy the natural fragrances of pure essential oils with high concentrations of anti aging benefits, hydration benefits or calming effects. The application of hot towels and facial steam will hydrate, soften, protect and calm the skin, while you enjoy aromatherapy relaxation benefits. This facial has all the relaxation and benefits of our SageCliffe facial with the addition of an alternative mask with a higher concentration of nature's pure essential oils, additional massage techniques and a hydrating back treatment.

## Facial Add-On Treatments —

*Hot/Cold Stones Massage*..... \$15

(add to any facial 1 hour or more)

Enjoy hot stones applied to your face, décolleté and neck areas during your facial massage. Cold stones may be used for those with eye-area puffiness, or facial sinus congestion.

*Alpha Plus Exfoliation* (5-15 minutes)..... \$15

Add this micro exfoliation to reduce pigmentation, diminish fine lines and wrinkles, and leave your skin looking more radiant than ever. This gentle treatment gel can be used for any skin type, including sensitive skin.

*Eye/Lip Hydration Mask*..... \$10

Targets dryness and sensitivity. Leaves eyes and lips feeling soothed and restored.

*Prolagene Skin Renewal Booster*.....\$5

A treatment added to the mask and moisturizer to aid the skin renewal process. Also beneficial in the treatment of burns and skin irritations.

*Extended Extractions* (up to 15 minutes)..... \$15

(add to any facial 1 hour or more)

*High Frequency Acne Treatment*..... \$25

(add to any facial 1 hour or more)

Treats skin abrasions and lesions by killing the bacteria under the skin surface. Aids in the skin's ability to purge and purify.
