Testimonials from Newlyweds and Their Families

I know it's been a month since my daughter Jessica married Patrick Sweeney at the winery, (Sept. 10). I just wanted to personally thank you for all your hard work in making her day so very BEAUTIFUL!

You are very good at your job and I will be referring other couples your way for their wedding reception needs. Have a great day, and thanks again.

Lucie

Hi Nichole,

Vijay and I want to tell you we think you are amazing. You made our wedding absolutely perfect. All of the touches, and detail, and careful attention you gave us were recognized by us and all of our family members. Really, you just made us, the wedding party, and the children so happy. Also, the meals were *WAY* better than the last chef's. Your team was *ON TOP* of it! When we return from our honeymoon we plan to write a letter to your general manager expressing our appreciation for you and your efforts. Again, thank you from the bottom of our hearts.

Jennifer and Vijay

Hello John,

My name is Jennifer McCormick and my husband and I, Vijay Sundaram, got married at Cave B Inn on Saturday May 22. We were truly pleased with our wedding. It hasn't been until now that I've been able to formally write you a letter of appreciation for Nichole and the amazing work she did to make our wedding a complete success. I attribute everything going perfectly to her hard work, focus, and dedication. I think she is simply amazing and because of her, our ceremony and reception could not have gone better.

There are many things she did, going out of her way to make sure our day was perfect. Not the least of which was following through on every single agreement we had made with the previous wedding coordinator and caterer. I know this is a not an easy transition to manage but Nichole made all our wishes come true (including previous meal and other arrangements) without a hitch. Also, Nichole was very reassuring about the potential for rain and alternative plans for the arrangement. I know it was because of her last minute work that we were able to have the ceremony outdoors, which I will cherish and appreciate for the rest of my life. In addition, Nichole was simply amazing with the children at the reception,

even bringing them toys, and making sure every child had a piece of the special children's birthday cake. One child at the reception told me later that she felt very special to have a piece of the chocolate 'children only' cake. All of these things were done with surprise to me and made our evening extra special. Nichole also made sure to give me and my husband kind direction, and reassure us throughout the preparation for the ceremony.

I hope that all brides have the wonderful experience that I had working with Nichole and experiencing the perfect wedding day. It would be a pleasure to have the opportunity to recommend Cave B and Nichole to others.

Thank you,
Jennifer McCormick and Vijay Sundaram

Hi Nichole!

I wanted to be sure to let you know what a terrific job everyone at Cave B did to make Licia and Tyler's wedding day the most beautiful day ever!

We enjoyed dinner poolside with a yummy bar-b-que and drinks and great weather. Everyone was very nice and accommodating, really couldn't ask for more.

The morning of the wedding went by pretty fast, Camille got there to set up and the arbor hadn't been taken down yet, so I called the front desk and by the time I got back to the rooftop there were guys there taking it down! Didn't take long then. Camille and her crew set up the altar. What a beautiful setting and spectacular view!

The valet went well and so did the shuttling of guests to the reception. Guests all came through the main lobby with some partaking in cocktails there. We were up there having pictures taken so it was nice to be able to meet and greet there! Then we all headed to the ceremony by foot or by shuttle. All the guests were taken by the whole event... "Wow, how did you ever find this place, sort of comments."

The ceremony was beautiful. The weather was great, a little breezy but nothing that couldn't be handled. And of course we were prepared for that, as much as one can be! The water station was a hit!

We had a receiving line on the lawn area, then the wedding party headed to the Cliffehouse for the signing of the marriage license and toasting to the newlyweds as the guests headed to the cocktail party.

The cocktail party in the Round House was perfect, great idea! It gave people a chance to be inside, mingle with each other, and enjoy the view from there as well. The hors d' oeuvres were very tasty and the wine hit the spot. All the guests had nothing but good to say for all the helpers and how kind they were!

Seeing how beautiful the reception area was, the grounds are so pretty with all the summer plants! The tables were set so nice and the head table looked great. All the stations were set up perfectly too. Wonderful dinner! Guests were so pleased with all the choices and how fresh and flavorful all the dishes were! Thanks to the chef and all the chef's helpers! Above and beyond...super job! Everything ran so smoothly! Yummy!

The cake and the sparkling wine were such a hit! Absolutely beautiful! Mary did a super job and the champagne cake, very moist and light!

Everyone had a super time dancing and partying, of course the evening always seems to end too early! The dj had us choose our own playlist so it was fun music with no weird song surprises!

Licia and Tyler said their Sunset Room was decorated very romantically and enjoyed a wonderful wedding night!

I know how much effort, time, and energy went into this day for everyone and I must say it showed! I can't tell you how many guests are still talking about it. I have received calls, cards of thanks, and it couldn't have been done without all the help from you and Breanan. Very professional and personable, and it really goes a long way when you can make people feel so invited and make sure they are enjoying themselves.

Sunday morning we gathered up all the wedding items from the Estate Room which were all boxed up and ready to go. Thanks to all that helped with that!

Licia and Tyler opened their wedding gifts that morning on the lawn in front of the Cliffhouses so we all could visit before heading our own ways. Some headed over to the Inn for Sunday Brunch and others had energy to do some rock climbing!

Licia and Tyler stayed an extra night and enjoyed relaxing at the pool and hiking around. Of course they had a delicious dinner and wine. The chef had boxed up the top layer of their wedding cake and they took that home.

Again, I want to say thanks to a job well done! Looking forward to another Cave B experience!

Diane

Thank you so much for taking such great care of us and everybody in our wedding party! We had the best day and such an amazing time at Cave B. You were absolutely the best coordinator anyone could ask for! We feel so blessed to have had you :) We really appreciate everything you did, as well as how each individual employee treated us at Cave B. We'll definitely be back as much as we can :)

Thanks again!
